Mr. Orville T. Chamberlain, M.D.,
Glendale Sanitarium,
Glendale, Cal.

My dear Mr. Chamberlain:

Thank you for your subscription for 2 copies of the Spanish Songs of Old California. I have mailed one to Col. Conn, and a copy to you by first mail after receipt of your order.

The 6th Thousand is just off the press, which is certainly encouraging for the sale of a privately printed book.

I hope to get the Second Book out next month, and already have a large number of advance orders.

Thanking you also for your kind expressions,

Sincerely yours,

CFL/B
